

Fishways Global & H2Opps will exhibit June 5-7 at the National Conference on Engineering and Ecohydrology for Fish Passage.

Parallel Session A3: Fish Guidance Systems
Piotr Parasiewicz; Fishways Global,
Procom Systems SA, will present his paper ...

NEPTUN: the electronic guidance system that effectively manages fish movement in a down and upstream waterway.

H2Opps has an agreement with Fishways Global, to demonstrate, validate and accelerate to market their fish barrier and fish guidance system products.
