

**Fishways Global** & H2Opps will exhibit August 19-23 at the 142<sup>nd</sup> Annual Meeting of the American Fisheries Society.

The AFS Annual Meeting will bring professionals together to network and share knowledge in fisheries science and management. Speakers will present a broad range of Fisheries topics at the plenary session, technical symposia and poster session as well as in continuing education courses.

***NEPTUN:** the electronic guidance system that effectively manages fish movement in a down and upstream waterway.*

**H2Opps** has an agreement with Fishways Global, to demonstrate, validate and accelerate to market their fish barrier and fish guidance system products.
